The mission of the National Board of Certification and Recertification for Nurse Anesthetists (NBCRNA) is to promote patient safety through credentialing programs that support lifelong learning.
Demonstrating specified levels of knowledge, skills, or ability—not only at the time of initial certification, but throughout an individual’s professional career.
Why Change?

• Accreditation Requirements
  • For NBCRNA and for others

• Needs
  • Changing knowledge and skills
  • Recognizing activities we already do

• Technology and Research
  • New opportunities
  • Support Adult Learning

To Learn, Retrieve: *The Testing Effect*

• Repeated recall consolidates memory by strengthening and multiplying retrieval routes.
• Multiple retrieval sessions are more effective when spaced out.
